

I would like to address the issue of LPFM changes. I believe that as a resident of the community, K-LOVE serves as a safe and secure harbor on the radio. I can rest assured that my family and myself can tune in and have NO worries about hearing the kind of trash that other stations tend to have, i.e. Howard Stern. If K=LOVE were to be displaced due to these changes, all this would be lost to my family and the rest of the community. K-LOVE serves a VITAL AND INTEGRAL PART IN PROVIDING THIS COMMUNITY WITH SANE, RATIONAL AND SAFE ENTERTAINMENT.

Thank You,  
Paul E Carstensen
